

GAJAVADA SANJEEVKUMAR

Plot No. 138, Road Number 5, Sri Ram Nagar colony, Turkayamjal, Ranga Reddy, Telangana-501510
sanjeevkumargajawada@gmail.com ◊ (+91) 9030 833 667 ◊ <https://www.linkedin.com/in/skgajawada/>

CARRIER OBJECTIVE

To advance mechanical and aerospace engineering through research in aeroelasticity, vibration analysis, structural dynamics, finite element methods, composite structures, and control systems. I aim to integrate computational modeling, simulation techniques, and data-driven approaches, including machine learning and artificial intelligence, to develop innovative engineering solutions for complex real-world challenges while fostering interdisciplinary research and technological innovation.

EXPERIENCE

- Worked as an Online Data Science Intern at Sabudh Foundation (in collaboration with STPI), Mohali, India, from 8 January 2026 to 30 June 2026. Developed and contributed to the project "Federated Learning for Intelligent Transportation System".
- Worked as an Assistant Professor in Guru Nanak Institutions Technical Campus, Hyderabad, India, from 23 March 2021 to 30 June, 2025.
- Worked as an Assistant Professor at Sree Chaitanya College of Engineering, Karimnagar, India, from 26 November 2018 to 22 March 2021.
- Worked as a lecturer at the Jyothishmathi Institute of Technology and Science, Karimnagar, India, from 7 December 2015 to 30 June 2016.

EDUCATION

Indian Institute of Technology (ISM), Dhanbad	July, 2025- till date
PhD - Design	8.2 CGPA
Indian Institute of Technology Bhilai	June 2025 - Dec 2025
AICTE QIP PG Certificate Course - Data Sciecnce	8.67 CGPA
GITAM Deemed To Be University, Visakhapatnam	2016-2018
Master of Technology-Machine Design	8.78 CGPA
Vivekananda Institute of Technology and Science, Karimnagar	2010-2014
Bachelor of Technology- Mechanical Engineering	Percentage: 71.28
SR Junior College, Karimnagar	2008-2010
Intermediate, M.P.C	Percentage: 81.8
Pragathi Vidyalayam, Sircilla	2007-2008
SSC	Percentage: 85.5

TECHNICAL STRENGTHS

Software & Tools	MS Office word, Excel, Power Point, Latex
Data Analysis Tools	Power BI, Tableau, SQL, Dataiku
Languages	Basic Python , MATLAB

ACADEMIC ACHIEVEMENTS

- Certificate of Appreciation in Essay Writing and Elocution competitions by Department of Youth Services, Karimnagar
- Appreciation Certificate in Innovation 2K12 National fest competition in Vivekananda Institute of Technology & Science, Karimnagar

MOOCS CERTIFICATIONS

Coursera Certifications

- Successfully completed the Online Course on “Business Analytics with Excel: Elementary to Advanced” authorized by Johns Hopkins University and offered through Coursera.
- Successfully completed the Online Course on “From Excel to Power BI” authorized by Knowledge Accelerators and offered through Coursera.
- Successfully completed the Online Guided Project on “Getting Started with Microsoft Excel” offered through Coursera.

IBM & IBM SkillsBuild Certifications

- Successfully completed the Online Course on “Data Literacy (Earn a digital credential!)” offered through IBM SkillsBuild, held on 28th June 2026.
- Successfully completed the Online Course on “Sensemaking with Data” offered through IBM SkillsBuild, held on 28th June 2026.
- Successfully completed the Online Course on “Exploring Data” offered through IBM SkillsBuild, held on 28th June 2026.
- Successfully completed the Online Course on “Data Fundamentals (Earn a credential!)” offered through IBM SkillsBuild, held on 27th June 2026.
- Successfully completed the Online Course on “Your Future in Data: The Job Landscape” offered through IBM SkillsBuild, held on 27th June 2026.
- Successfully completed the Online Course on “Overview of Data Tools and Languages” offered through IBM SkillsBuild, held on 27th June 2026.
- Successfully completed the Online Course on “Clean, Refine, and Visualize Data with IBM Watson Studio” offered through IBM SkillsBuild, held on 27th June 2026.
- Successfully completed the Online Course on “Data Science in Our World” offered through IBM SkillsBuild, held on 27th June 2026.
- Successfully completed the Online Course on “Introduction to Data Concepts” offered through IBM SkillsBuild, held on 27th June 2026.
- Successfully completed the Online Course on “Python 101 for Data Science (PY0101EN)” organized by IBM, offered through Cognitive Class Developer Skills Network.

Dataiku Academy Certifications

- Successfully completed the Professional Certification on “Dataiku Core Designer” offered by Dataiku Academy.
- Successfully completed the Professional Certification on “Dataiku Advanced Designer” offered by Dataiku Academy.
- Successfully completed the Professional Certification on “Dataiku Developer” offered by Dataiku Academy.
- Successfully completed the Professional Certification on “Dataiku ML Practitioner” offered by Dataiku Academy.
- Successfully completed the Professional Certification on “Dataiku MLOps Practitioner” offered by Dataiku Academy.
- Successfully completed the Professional Certification on “Dataiku Generative AI Practitioner” offered by Dataiku Academy.

MathWorks Training Certifications

- Successfully completed the Self-Paced Training Course on “MATLAB Onramp” offered by MathWorks Training Services.
- Successfully completed the Self-Paced Training Course on “Simulink Onramp” offered by MathWorks Training Services.
- Successfully completed the Self-Paced Training Course on “Control Design Onramp with Simulink” offered by MathWorks Training Services.
- Successfully completed the Professional Learning Path on “Control System Design with MATLAB and Simulink” (covering Control System Modeling Essentials, Linearization of Nonlinear Systems, Control System Analysis Techniques, PID Control Techniques, and Classical Controller Design Techniques) offered by MathWorks Training Services.

LinkedIn Learning Certifications

- Successfully completed the Online Course on “Learning SQL Programming” offered through LinkedIn Learning.
- Successfully completed the Online Course on “MySQL for Non-Programmers” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Learning Data Analytics: Foundations” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Python for Data Science and Machine Learning Essential Training Part 1” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Python Essential Training” offered through LinkedIn Learning.
- Successfully completed the Online Course on “MATLAB Essential Training” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Accelerated MATLAB” offered through LinkedIn Learning.

- Successfully completed the Online Course on “Learning MATLAB” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Six Sigma: Green Belt” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Statistics Foundations 3: Using Data Sets” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Six Sigma Foundations” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Operational Excellence Foundations” offered through LinkedIn Learning.
- Successfully completed the Online Course on “Additive Manufacturing: Tips, Tricks, and Techniques” offered through LinkedIn Learning.

SUBJECTS HANDLED

- Engineering Mechanics
- Engineering Graphics
- Mechanics of Solids
- Kinematics of Machinery
- Fluid Mechanics
- Thermodynamics
- Heat Transfer
- Design of Machine Members / Design of Machine Elements
- Operations Research
- Finite Element Methods/ Finite Element Analysis

ACADEMIC PROJECTS

A study on the effect of elastic-plastic material properties of metals on hardness values using finite element analysis

The object of this project is how the elastic-plastic material properties of metals on hardness values varies from theoretical to experimental and optimization of these hardness values using Finite Element Analysis

Study of internal combustion engines & their components

The main aim of this project is to introduce the fundamentals of internal Combustion Engines & their components. The report traces the mechanism of operation of Internal Combustion Engines and its different kinds based on the operation mechanism, specially the two stroke and four stroke engines.

Hydraulic Robotic Arm for pick and place operation

The overall purpose of this project was to understand how Hydraulics works. The basic idea of a hydraulic system is that the force applied to one point is transmitted to another using fluid. The basic concept used behind the operation is PASCALS LAW.

PROFESSIONAL DEVELOPMENT

ATAL Certifications

- Successfully participated and Completed AICTE Training and Learning (ATAL) Academy Faculty Development Program on “Robotics for Industry 4.0: Enabling Smart Manufacturing” at SRI VENKATESWARA COLLEGE OF ENGINEERING from 17th to 22nd November 2025.
- Successfully participated and Completed AICTE Training and Learning (ATAL) Academy On-line Elementary FDP on “Five Days Faculty Development Programme on Green Technology and Sustainability Engineering” at Amrita Vishwa Vidyapeetham from 5th to 9th July 2021.

Summer Schools Attended

- Participated in the Summer School on “Data-Driven Modelling for Mechanical Systems (D2MMS)” organized by the Department of Mechanical Engineering, Indian Institute of Technology (Indian School of Mines), Dhanbad, held from 1st - 5th July 2026.

Conferences & Webinars Attended

- Participated in the Conference on “AI for Forensics and Biometric Applications (AIFB) 2025” organized by the Indian Institute of Technology Bhilai, India, held from 19th - 20th December 2025.
- Participated in the Six-Day National Webinar on “A Vision Towards Materials and Manufacturing” organized by the KPR Institute of Engineering and Technology, Coimbatore.
- Participated in the Five-Day International Webinar Series on “Essential Technologies and Career Opportunities in Mechanical Engineering” organized by the Universal Engineering College, Kerala.

Faculty Development Programs (FDPs) Attended

- Participated in the Online Faculty Development Program on “Research & Development Excellence through Data Science Case Studies” organized by the Department of Computer Science and Engineering (Data Science), Sphoorthy Engineering College, held from 29th June - 3rd July 2026.
- Participated in the Online Faculty Development Program on “AI-Driven Business Analytics For Research, Teaching & Industry Applications” organized by the Faculty of Management & Commerce, Jodhpur Institute of Engineering & Technology, Jodhpur, held from 26th - 30th June 2026.
- Participated in the Online Faculty Development Program on “AI Powered Teaching Excellence” organized by the Department of Electronics and Telecommunication Engineering, Walchand Institute of Technology, Solapur, held from 22nd - 27th June 2026.
- Participated in the Five-Day Online Faculty Development Program on “Next-Generation Mechanical Engineering: From Research to Industrial Applications” organized by the Department of Mechanical Engineering, Institute of Engineering & Management (IEM), in association with HRDC, IEM-UEM Group, held from 16th - 21st January 2026.

- Participated in the Faculty Development Program on “Advanced Computational Modeling for Solids and Fluids” organized by the Indian Institute of Technology Bhilai, India, held from 5th - 8th January 2026.
- Participated in the Five-Day Online Faculty Development Program on “Recent Advances in Composite Materials: Integrating Modelling And Experimental Approaches” organized by the Departments of Mechanical and Civil Engineering, Maharaj Vijayaram Gajapathi Raj College of Engineering, Vizianagaram, Andhra Pradesh, held from 17th - 21st November 2025.
- Participated in the Five-Day Online Faculty Development Program on “The Role of Artificial Intelligence in Manufacturing Industries” organized by the Departments of Mechanical and Data Engineering, Maharaj Vijayaram Gajapathi Raj College of Engineering, Vizianagaram, Andhra Pradesh, held from 27th - 31st October 2025.
- Participated in the Two-Week Online Faculty Development Program on “The Art and Science of Successful Proposal Writing: Techniques, Strategies, and Best Practices” organized by the Departments of ECE, CSE, and IT, CVR College of Engineering, Hyderabad, Telangana, held from 27th October - 6th November 2025.
- Participated in the Five-Day Online Faculty Development Program on “Smart Materials and Technologies for Durable Structures (SMTDS’25)” organized by the Department of Civil Engineering, R.V.R.J.C. College of Engineering, Guntur, Andhra Pradesh, held from 15th - 19th September 2025.
- Participated in the One-Week Online Faculty Development Program on “Innovations in Robotics and UAVs: Digital Twins, Drone Design, and Future Trends” organized by the Department of Mechanical Engineering, VNR Vignana Jyothi Institute of Engineering and Technology, Hyderabad, held from 30th July - 3rd August 2024.
- Participated in the Two-Week Online Faculty Development Program on “Transforming Education: Integrating OBE and NEP 2020” organized by the Department of Electronics and Communication Engineering, CVR College of Engineering, held from 22nd July - 2nd August 2024.
- Participated in the One-Week Faculty Development Program on “Advanced Python Programming” organized by the Department of Computer Science and Engineering, Guru Nanak Institutions Technical Campus, held from 26th December 2023 - 2nd January 2024.
- Participated in the Five-Day Faculty Development Program on “Fundamentals, Advancements and Applications of Robotics” organized by the Department of Mechanical Engineering, Vignan Institute of Technology and Science, held from 12th - 16th September 2023.
- Participated in the One-Week Faculty Development Program on “Additive Manufacturing Processes and Its Applications” organized by the Department of Mechanical Engineering, Sri Manakula Vinayagar Engineering College, Puducherry, held from 23rd - 28th August 2021.
- Participated in the One-Week Online Faculty Development Program on “Mathematical Modeling & Numerical Techniques 2020” organized by the Kakatiya Institute of Technology and Science, Warangal, held in 2020.
- Participated in the Five-Day Online Faculty Development Program on “Frontiers of Research in Mechanical Engineering (FORME 2020)” organized by the Satya Institute of Technology and Management, Vizianagaram, held in 2020.
- Participated in the Three-Week Faculty Induction Training Program supported by MHRD under PMMNMTT scheme, organized by the TLC, Indian Institute of Technology Hyderabad.

- Participated in the One-Week Online Faculty Development Program on “Engineering Physics and Materials Science” organized by the Chaitanya Bharathi Institute of Technology, Hyderabad.
- Participated in the One-Week Online Faculty Development Program on “Recent Trends in Manufacturing” organized by the Mahatma Gandhi Institute of Technology, Hyderabad.
- Participated in the One-Week Online Faculty Development Program on “Recent Advances in Renewable Energy & Energy Efficiency Technologies” organized by the Mahatma Gandhi Institute of Technology, Hyderabad.
- Participated in the One-Week National Online Faculty Development Program on “Advanced Welding Technologies” organized by the Department of Mechanical Engineering, Faculty of Engineering & Technology, JAIN Deemed-to-be University, Bengaluru.
- Participated in the Six-Day Faculty Development Program on “Recent Developments in Solar Energy Recovery and Storage Technologies” organized by St. Joseph’s College of Engineering, Chennai.
- Participated in the Two-Week Faculty Development Program on “Recent Developments of Nano-Composites and Smart Materials in the Aerospace Industry” organized by the MLR Institute of Technology, Hyderabad.
- Participated in the Five-Day Online Faculty Development Program on “Research Methodologies in Mechanical Engineering (A Refresher Approach)” organized by the Narsimha Reddy Engineering College, Secunderabad.
- Participated in the One-Week Online Faculty Development Program on “Nanoscience and Nanotechnology - Current Perspectives” organized by the G. H. Rasoni College of Engineering, Nagpur.
- Participated in the One-Week Online Faculty Development Program on “Advanced Composite Materials” organized by the R. R. Institute of Technology, Bengaluru.
- Participated in the One-Week Online Faculty Development Program on “Optimization Techniques for Mechanical Engineers” organized by the Vignan Institute of Technology and Science, Deshmukhi, Hyderabad.
- Participated in the Five-Day National Level Faculty Development Program on “Research Opportunities in Advanced Welding Processes” organized by the Hindusthan College of Engineering and Technology, Coimbatore.

Workshops Attended

- Participated in the Online Workshop on “Problem-Driven AI: Real World Applications and Solution Frameworks” organized by the Department of Computer Science and Engineering, National Institute of Technology Rourkela, held from 7th - 16th February 2026.
- Participated in the Industry-Academia Engagement Workshop on “Emission Control Strategies in Thermal Power Plants” organized by OP Jindal University, Raigarh and Jindal Institute of Power Technology, Jindal Power Limited, Tamnar, held on 31st October 2023.
- Participated in the One-Week Workshop on “Autodesk Authorized Academic Partner Event” organized by the Guru Nanak Institutions Technical Campus.
- Participated in the One-Week Workshop on “Computational Research Techniques Using MATLAB” organized by the Sree Chaitanya College of Engineering, Karimnagar.

- Participated in the One-Week Online Workshop on “Metallurgy for Mechanical Engineering” organized by the Sree Chaitanya College of Engineering, Karimnagar.

Short-Term Courses & STTPs Attended

- Participated in the One-Week Short-Term Course on “Enduring Trends in Hydraulic Control Systems: Past, Present and Future” organized by the Department of Mechanical Engineering, Centre for Continuing Education, Indian Institute of Technology Madras, held from 22nd - 27th March 2021.
- Participated in the One-Week Short-Term Course on “Theory of Plasticity and Its Applications” organized by CE & QIP, Indian Institute of Technology Bombay.
- Participated in the One-Week Short-Term Course on “Application of Forecasting Methods in Engineering and Business Problems” organized by AICTE & QIP, Indian Institute of Technology Kharagpur.
- Participated in the One-Week Short-Term Course on “Green Manufacturing” organized by NITTTR Chandigarh at Sree Chaitanya College of Engineering, Karimnagar.
- Participated in the One-Week Online Short-Term Training Program on “Training of Trainers (TOT) for Teacher Educator” organized by NITTTR, Bhopal.
- Participated in the One-Week Short-Term Course on “Advances in Additive Manufacturing” organized by Siemens Centre of Excellence for Digital Manufacturing and Robotics under NAFETIC, Yeshwantrao Chavan College of Engineering, Nagpur.
- Participated in the One-Week Online Short-Term Training Program on “Advanced Techniques in Modelling and Analysis for Materials and Manufacturing Process” organized by the VNR Vignana Jyothi Institute of Engineering and Technology, Hyderabad.
- Participated in the One-Week Online Short-Term Training Program on “Modeling and Analysis using MATLAB and Python for Mechanical Engineering Applications” organized by the VNR Vignana Jyothi Institute of Engineering and Technology, Hyderabad.
- Participated in the One-Week Online Short-Term Training Program on “Advances in Finite Element Method for Industry & Research Applications” organized by the Vasavi College of Engineering (Autonomous), Hyderabad.
- Participated in the One-Week Online Short-Term Training Program on “Design of Experiments in Engineering” organized by the B. V. Raju Institute of Technology, Vishnupur, Narsapur, Medak.

ROLES AND RESPONSIBILITIES

Lab Coordinator: Managed operations and equipment for the Kinematics and Dynamics Laboratory.

Academic Coordinator: Oversees Departmental Minor Degrees, remedial classes, and student tutorials.

SAE BAJA & Go-Karting: Departmental Coordinator guiding student design and racing teams.

Event Coordinator: Student organizer for the D2MMS Summer School, Faculty Coordinator for Freshers, and Farewell events.

Central Committee Member: Active coordinator for major institutional events, including Annual Day.

Student Mentor: Dedicated academic advisor and mentor for undergraduate student cohorts.

SOCIAL RESPONSIBILITIES

- Pledge Participant, Nasha Mukta Bharat, Khushaal Bharat (Ministry of Social Justice and Empowerment, Govt. of India) Committed to a drug-free lifestyle and promoting social well-being.
- Blood Donation Volunteer Donated blood on 10 occasions through recognized camps, supporting patients in need and promoting community health.

PERSONAL TRAITS

- Highly motivated and eager to learn new things.
- Strong motivational and leadership skills.
- Ability to work as an individual as well as in group.

PERSONAL DETAILS

Name	GAJAVADA SANJEEVKUMAR
Father's name	RAJESHAM
Gender	Male
Date of Birth	01st Aug, 1993
Nationality	Indian
Languages Known	English, Telugu, Hindi
